## THE COURT:\*

The petition for writ of supersedeas filed December 19, 1988, has been read and considered.

It is hereby ordered that respondent's orders of November 9 and 30, 1988, in Los Angeles Superior Court case No. C 420153, entitled Church of Scientology of California v. Armstrong (and related cross-action), are, until further order of this court, stayed in effect to the extent, and only to the extent, that they unseal that court case file as to the general public and permit review thereof by any person other than moving party, Bent Corydon, and his counsel of record, Paul Morantz.

Preliminary opposition to the petition for writ of supersedeas may be filed on or before January 9, 1989.

We point out that the petition fails to conform to the requirements of California Rules of Court, rule 56(c)(2) and (3). Petitioner is ordered to lodge true and complete copies of the missing exhibits with this court on or before January 9, 1989.
